### Invitations

Invitations can be issued by Georgian Project Office if requested with registration.

### Registration and conference fee

Participation at the conference is free of charge, but registration is requested. Registrations will be considered according to the date of submission. The conference is planned for a maximum of 80 participants.

### Conference languages

Conference languages will be English and Russian with simultaneous interpreting.

### Call for presentations & Conference proceedings

Presentations on CDM/JI project developments and project pipelines from Eastern Europe & Central Asia are highly welcome. Presentations should be either in English or in Russian. These presentations shall not exceed 20 minutes. In any case English versions of presentations should be provided for conference proceedings until the date of the conference in electronic format to one of the email addresses indicated above. Conference proceedings will be printed after the conference. Deadline for presentation applications is May 15, 2006.

### Visa and travel information

Visitors from most former Soviet Union countries and from EU countries do not need a visa for Georgia. Please note that Batumi has only irregular flight connections. Regularly served airports are Tbilisi (approx. 400 km from Batumi) and Trabzon, Turkey (approx. 200 km from Batumi). Transport from Tbilisi to Batumi will be organised.

## Registration

Please fill in the form below in block letters and return by May 15, 2006 (Registrations will be considered according to the date of submission) by Fax: **+49 (711) 8995-459**

Alternatively, fill in and mail an electronic registration form from one of the websites above.
